

Village & R.M. of Canwood 100th Anniversary

Invitation for Ideas

The Village & R.M. of Canwood 100th Anniversary Committee would like to invite the general public to submit ideas for the creation of a monument for the 100th Anniversary in 2016. The monument will be built in the Public Reserve area near the Nursing Home. This would allow it to be visible from the Highway.

Your ideas for the monument should reflect what “Canwood means to you”. As this monument is a joint endeavor by the Village and Rural Municipality, it should be applicable to both.

We ask that ideas be submitted to the Committee by dropping them off in person at the Village Office or they can be sent to the following address:
