Bid \$ _____ written form: _____

The successful estimate shall include all considerations as listed below. Please attach documentation providing answers to the following:

- 1) Estimated start and finish time. (Work shall start at a mutually agreed-upon time and shall be completed within the time specified);
- 2) Equipment and method to be used to complete the tasks including picking nails and debris;
- 3) Assurance that site and excavation shall be secured at all times for the health and safety of the public including the hours when work is not being completed;
- 4) Proof of Contractors' Public Liability Insurance in the amount of \$2,000,000.00 to cover any occurrence of bodily injury, death, property damage;
- 5) Proof of Statutory Workers' Compensation Board coverage/certificate as required by law;
- 6) Acknowledgement that the contractor shall be responsible for adherence to initiating, maintaining and supervising all health and safety regulations, precautions and programs in connection with the work to ensure:
 - a) no person, property, right, easement or privilege is injured, damaged or infringed by reason of the contractor's activities in performance of the contract;
 - b) pedestrian and other traffic on any public or private road is not endangered by the method or means of its performance; and
 - c) the health and safety of all persons employed in the performance of the work in not endangered by the method or means of its performance.

Please include this form and information as requested by 3:00 p.m., February 17, 2021, to the Village of Canwood, Box 172, Canwood, SK, S0J 0K0, or by email to: canwood.town@sasktel.net.

The Village of Canwood reserves the right to reject or accept any proposal for any reason, without explanation, whether arbitrary, unreasonable, or otherwise. Contractors will not be compensated for costs associated with preparation and submission of an estimate. Lowest or any estimates will not necessarily be accepted.

By signing below, I declare that the site has been inspected and have made my own assessment of the prevailing site conditions, including the position of all existing buildings, the extent of all demolition, the nature of the access together with the requirements of all other works necessary to facilitate the completion of this estimate.
