

Rural Crime Watch Membership Drive

The Village and R.M. of Canwood No. 494 hosted a community meeting on November 29, 2018, to discuss starting a Rural Crime Watch. Those in attendance at the meeting expressed an interest in the development of a Rural Crime Watch Program.

What is the next step?

This is a community driven, community led, police supported Crime Prevention and Crime Reduction collaborative program, which means that a committee is needed to facilitate the membership and the application of the downloadable mobile app called “WhatsApp Messenger” which is being proposed as the main tool of communication among the membership base.

We are reaching out to the general public who are interested in serving this committee for such a worthwhile cause. If you have any questions or concerns, or are interested in serving your community, please contact:

Erin at the Village office in Canwood at (306)468-2016 or Lorna at the R.M. of Canwood office at (306)468-2014.

Watch for posters for the date of the next public meeting in January!
